I. Check-Sheet-Related Graduation Requirements:

1. Satisfy GEP Requirements
2. Satisfy Psychology Major Requirements
3. Complete 40 courses total (a course must carry 3 credits or more to count)

II. Counting 1 course towards multiple requirements (a.k.a., double-counting)

You can only count a GEP course towards another requirement if the 2nd requirement is an overlay or will count towards your declared minor requirement.

III. Most if not all requirements should be completed using SJU DAY courses.

For procedure and regulations on taking other types of courses and whether they can count, see http://www.psychology.sju.edu/downloads/undergrad_forms/PsyPreregistrationFAQ.pdf

IV. Finding courses that satisfy the various GEP requirements (e.g., Fine & Performing Arts/Lit)

<http://www.sju.edu/int/academics/centers/casadvising/Registration/GepHelp.html>

V. Finding course requirements for a minor or a second major.

<http://www.sju.edu/int/academics/centers/casadvising/majors/index.html>

VI. CAS Advising Support Center (offers walk-in consultations and website of resources)

www.sju.edu/casadvising (610)660-2631 Walk-In Hours: Monday to Friday 1-4pm

VII. Who do I contact for my questions?

For advising and your PIN:

see you psychology faculty advisor.

For questions about getting into a closed course or an evening course:

Read Dr. Leitner's FAQ sheet listed in section III before contacting Dr. Leitner (dleitner@sju.edu)

For technical registration difficulties for a particular psychology course:

Send an email to all 3 addresses below with the following information:

dleitner@sju.edu, jshih@sju.edu, nfiazzo@sju.edu

1. detailed information on what you tried to do
2. take a screen shot or copy the error message verbatim
3. provide your name and student ID# in the email.

For difficulty getting into a course in another department (e.g., not being able to register):

see the Chair of the department from which the course is offered (e.g., History)

For questions about the GEP or closed courses in other department and advice:

Advising Support Center is a great resource.

Generally speaking, your request will be more understandable and can be handled more quickly if you provide some basic background information:

Your Name

Your Student ID

Name of your Advisor

Your question/issue and any background information (e.g., course # and instructor, CRN)
any documentation (for example, screen shot of error message)
